Our concert will be filmed by D&N Cinematics. Turn your orders in to your choir director or to the ornament table at the concert. DVD's will be passed out during a rehearsal. In the past, we have allowed individuals to record our concert on their personal devices; however, it has become a distraction to both the performers and other audience members. Consequently, the use of any recording device, either audio or video, and the taking of flash photographs during the performance is strictly prohibited.
